Re: James Watson  
Cold Spring Harbor

Dear Murray:

Enclosed is some preliminary information on Dr. Watson  
and Cold Spring Harbor.

Cold Spring Harbor was the location of the symposium on  
the "safer" cigarette during which Kensler made a presentation on  
the palladium cigarette. It was at this conference that much of  
the material was gathered for the 1981 Surgeon General's report on  
the "Changing Cigarette." I will provide additional material as  
it becomes available.

Sincerely,

*Chuck*
